Memory_verse

Key Verse: Hebrews 11:1
"Now faith is confidence in what we hope for and assurance about what we do not see."

Creative Ways to Memorize:

1. Song:
Create a simple tune similar to a nursery rhyme for the verse. Sing it together with the students, emphasizing key words by clapping or using instruments like tambourines.

2. Rhyme:
Turn the verse into a rhyme:
"Faith is like a hope we hold,
It's trust in things we can't behold."

3. Motions:
- "Now faith" - Hands open wide
- "is confidence" - Flex your muscles
- "in what we hope for" - Point to the sky
- "and assurance" - Cross hands over the heart
- "about what we do not see" - Cover eyes with hands

4. Short Challenge:
Have a "Faith Hunt" where students find things around them (like an invisible breeze from a fan) that they can’t see but know are there. Each found object can be a prompt to say the verse.
