Exodus 25: Building the Tabernacle

Reflection:

1. Exodus 25 talks about God giving instructions to build a special place called the Tabernacle. Why do you think it was important for the Israelites to have a special place to worship God?
2. What does it mean to you to have a special place where you can connect with God or find peace?

Personal Application:

1. God asked the Israelites to give from their hearts to build the Tabernacle. What is something you could give or do for others with a loving heart?
2. Think about your own room or a favorite spot at home. How can you make it a special place to spend time with God or to be thankful?

Prayer:

Dear God,

Thank you for the places where we can worship and feel close to you. Help me to give with a willing and loving heart. Amen.

Open-Ended Questions:

1. How can you show kindness and generosity to your family or friends this week?
2. If you could create a special 'thankful space' at home, what would it look like and why?
3. In what ways can you remind yourself of God's presence in your everyday life?
