Exodus 25: Creating a Special Place

Objective:

Understand why God instructed Moses to build the Tabernacle and reflect on the importance of special places in our lives.

Introduction:

In Exodus 25, God asked Moses to build a special tent called the Tabernacle. This was a sacred place where the people could come closer to God and worship Him. The Tabernacle was very important because it showed the people that God was with them.

Activities:

1. Story Time with Family:

- Gather with your family and read Exodus 25 together.
- Talk about what the Tabernacle was and why it was important to the Israelites.

2. Design Your Special Place:

- On a piece of paper, draw what your special place with God might look like. Think about what colors, shapes, or designs make you feel close to God.
- Share your drawing with your family and explain why you chose certain designs or colors.

3. Family Discussion Questions:

- Why do you think God wanted the Tabernacle to be built?
- How do you think the Israelites felt when they saw the Tabernacle completed?
- What is a special place for you and why?

4. Create a Family Prayer Corner:

- With the help of your family, set up a small prayer corner in your home. You can use a table or a small shelf.
- Place meaningful objects or pictures that remind you of God's love and presence.

5. Reflective Journal:

- Write a short reflection in a notebook about how you feel when you are in a special place where you can be with God.
- Share with your family during your next family time.

Conclusion:

Exodus 25 teaches us about the importance of having spaces that help us connect with God. By designing personal spaces and reflecting on them, we grow closer to our faith and develop a deeper understanding of the sacred.

Homework:

Complete the drawing and set up the family prayer corner by the end of the week. Share your experiences with your class next time.
