

# Visuals

## Slide 1: Title Slide

- Visual: Colorful illustration of a scroll with the words "Leviticus 20: Understanding Right from Wrong" written on it.
- Caption: Introduction to the lessons from Leviticus 20.

## Slide 2: Understanding Context

- Visual: A simple map of ancient Israel with a highlighted path showing the journey of the Israelites.
- Caption: Where Leviticus fits into the story of the Israelites.

## Slide 3: Rules and Consequences

- Visual: A scale balancing the ideas of "Rules" and "Consequences," with children holding the scale from each side.
- Caption: The role of rules and what happens when rules are not followed.

## Slide 4: Respect for Family and Community

- Visual: A circle of paper dolls holding hands to represent community and family unity.
- Caption: Importance of respecting and taking care of each other.

## Slide 5: Making Good Choices

- Visual: A fork in the road with signs pointing to "Good Choices" and "Bad Choices," decorated with cheerful and sad faces.
- Caption: We have the power to choose the right path.

## Slide 6: Protecting and Caring for Others

- Visual: A garden with a fence symbolizing protection, with children playing safely inside.
- Caption: How rules help us protect others and ourselves.

## Slide 7: Reflect and Share

- Visual: Kids sitting in a circle sharing a colorful ball that represents their thoughts and ideas.
- Caption: What can we learn from following rules? Share your thoughts.

## Slide 8: Activity – Create Your Own Rule Book

- Visual: A blank notebook with crayons, stickers, and images of children creating and decorating it.
- Caption: Let's write down rules that help make our classroom a happy place.

## Slide 9: Closing Thoughts

- Visual: A heart with the words "Kindness," "Respect," and "Care" surrounding it.
- Caption: Remember the values that bring us together.

Each visual and activity aims to engage students through colorful, relatable images and simple messages that convey the key lessons from Leviticus 20 in a way that is accessible to young children.
