Take-Home Assignment: Understanding 'Numbers 19'

Assignment Overview

Today, we learned about Chapter 19 from the Book of Numbers. This chapter explains the special instructions God gave to the Israelites about purification using a red heifer. It teaches us about cleanliness and following directions. Let's reflect on what we learned with this fun assignment!

Reflection Questions

Discuss these questions with your family:

1. What is a Red Heifer?

- Talk about what a red heifer is and why it was important for the Israelites. Why do you think God chose a red heifer for this task?

2. Why is Purification Important?

- Reflect on why the Israelites needed to purify themselves. How do we keep ourselves clean and pure today, both physically and spiritually?

3. Following Instructions:

- God gave specific instructions for the purification process. Discuss why it's important to follow directions carefully. Can you think of a time when you followed instructions to achieve something great?

Activities

1. Family Discussion Time:

- Gather your family members and read Numbers 19 together. After reading, each family member can share one thing they learned or found interesting about the chapter.

2. Cleanliness and Purification Chart:

- Create a chart with your family that shows ways you can stay clean and pure. Include both physical ways (like washing hands) and spiritual ways (like being kind to others).

3. Story Time for Younger Siblings:

- If you have younger siblings, explain the story of the red heifer to them in your own words. Use simple language and maybe even draw pictures to help them understand.

Creative Exercise

- Draw a Red Heifer:

- On a piece of paper, draw a picture of a red heifer. Around the picture, write words that describe its role and importance in Numbers 19. Use words from your reflection, such as "purity," "obedience," and "instructions."

Closing Thought

Numbers 19 teaches us important lessons about the value of following God's directions and the importance of purity in our lives. As you complete these activities, think about how these lessons can apply to your everyday life. Discuss with your family how you can help each other stay both

physically and spiritually clean.

Remember, following directions helps us achieve great things and stay connected with others and God. Happy reflecting!
