Key Bible Verse: Numbers 27:7 (NIV) - "What Zelophehad's daughters are saying is right. You must certainly give them property as an inheritance among their father's relatives and give their father's inheritance to them."

Creative Ways to Memorize:

1. Rhyme Time:

- Create a simple rhyme to help remember the verse:

"Zelophehad's daughters spoke what's right,
Give them land with all your might."

2. Hand Motions:

- Use hand motions to represent key parts of the verse:

- "Zelophehad's daughters" (hold out both hands as a welcoming gesture)
- "are saying is right" (nod your head in agreement)
- "You must certainly give them property" (act like handing someone a gift)
- "as an inheritance" (make a circular motion as if passing something)
- "among their father's relatives" (point around to imaginary people around you)
- "and give their father's inheritance to them" (make a gesture of giving again).

3. Verse Song:

- Sing the verse to the tune of a familiar children's song, such as "Twinkle, Twinkle, Little Star":

"What Zelophehad's daughters say,
Is right and fair in every way.
Give them land, inheritance too,
Just like the Lord has told you."

4. Short Challenge:

- Break the verse into parts and have students repeat after you, gradually increasing the speed:

1. "What Zelophehad's daughters are saying"
2. "is right. You must certainly give them"
3. "property as an inheritance among their father's relatives"
4. "and give their father's inheritance to them."

- Challenge students to put all the parts together and say the verse as quickly and accurately as possible.

5. Verse Relay:

- Divide students into teams. Assign each team a word or phrase. Have them run a short distance to a 'finish line' where they recite their part. Continue until the whole verse is recited correctly.
