Take-Home Assignment: Exploring Numbers 6

Dear Students,

Today, we learned about Numbers chapter 6, which talks about how people can dedicate themselves to God, especially through the Nazarite vow. It also includes a special blessing. Let's explore what we learned today together with our families!

Activities:

1. Family Discussion:

- Discuss with your family what it means to dedicate yourself to something. How do people show dedication in their daily lives? Can you find examples of things you and your family have dedicated yourselves to?

2. Art Activity – Create a Blessing Poster:

- Numbers 6 includes a special blessing often called "The Priestly Blessing."

- Write down this blessing with the help of your family:

"The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace."

- Create a colorful poster of this blessing. You might want to use crayons, markers, or colored pencils. Hang it somewhere special in your home.

3. Vow Journal:

- Pretend you're taking a special vow to be dedicated to something positive, like being kind or helping out at home.

- Write in a journal about what you would do as part of this vow. Why did you choose this? How will you keep your promise?

Questions for Reflection:

1. What is a vow, and why do you think some people in biblical times decided to take the Nazarite vow?

2. How does the Priestly Blessing make you feel, and why is it important?

3. Can you think of ways you can bless others at home or in your community? Write down a list with your family.

Exercise:

- Family Role Play:

- Act out a skit where one person plays the role of someone deciding to make a special vow. Another family member can act like a priest giving a blessing.

- Discuss how it made you feel to be both the giver and receiver of a vow and a blessing.

Have fun exploring Numbers 6 with your family! Remember to bring your poster and journal back to class next week to share with everyone.

Happy Reflecting!

Sincerely,
