Key Verse:
Deuteronomy 2:7 (NIV)
"The Lord your God has blessed you in all the work of your hands. He has watched over your journey through this vast wilderness. These forty years the Lord your God has been with you, and you have not lacked anything."

Creative Ways to Memorize the Verse:

1. Song:
Create a simple melody or tune using a familiar song, like "Twinkle, Twinkle, Little Star," and fit the verse into it. Sing it together as a class, allowing the melody to guide the memorization process.

2. Rhyme:
Use rhyme to make the verse easier to remember:
"God blessed your hands, He watched your way,
Through wilderness and night to day.
For forty years, God did provide,
In Him alone, we must confide."

3. Motions:
- "The Lord your God": Point upwards to signify God.
- "Blessed you": Make a big circle with your hands to signify abundance.
- "Work of your hands": Move your hands as if you are working.
- "Watched over your journey": Use hand gesture to mimic looking through binoculars.
- "Vast wilderness": Stretch hands wide to show vastness.
- "Forty years": Show four fingers, then make a circle with your hands to signify time passing.
- "Not lacked anything": Shake your head and wave a hand to indicate "no lack."

4. Short Challenges:
- Verse Puzzle: Break the verse down into pieces of a puzzle and have students work to assemble it in the correct order.
- Memory Relay: Line children up in two teams and have them take turns running to a board to write one word of the verse until it's complete.
