Deuteronomy 2 - Take-home Assignment

Objective: Understand the key events and lessons in Deuteronomy 2 and reflect on their meanings.

Instructions: This assignment will help you explore the themes and lessons from Deuteronomy 2 with your family. Take about 15 minutes to complete the following activities and questions.

1. Read Together

With a family member, read Deuteronomy 2 from a children's Bible or an easy-to-understand Bible version. Focus on the Israelites' journey and how God guided them.

2. Discuss

Talk about these questions with your family:

- Why was it important for the Israelites to listen carefully to God's instructions about their journey?
- How do you think the Israelites felt wandering in the desert for so long? Can you think of a time when your family had to be patient or wait for something?
- What message do you think this chapter teaches us about trusting God?

3. Creative Map Activity

Materials needed: Paper, colored pencils or crayons.

- Draw a simple map showing the path the Israelites traveled in Deuteronomy 2, including their interactions with different groups.
- Include arrows to show their journey direction and label important places they passed.
- Discuss what this map teaches us about perseverance and trust in God's plan.

4. Reflection Writing

Write a few sentences on a separate piece of paper:

- Describe a time when you had to trust someone's guidance or directions. How did it make you feel?
- How can we trust God in our everyday lives like the Israelites did?

5. Family Prayer

End the activity with a family prayer. Thank God for guiding and protecting us, just like He did for the Israelites. Ask for help to listen to and trust His guidance every day.

Remember to bring your map and reflection to class to share what you learned!
