

Visuals

1. Map of Israel's Journey

- Description: A simplified map showing the path the Israelites took in Deuteronomy 2. Highlight Edom, Moab, and Ammon to illustrate the areas they passed by without conquering.
- Caption: "The Journey of the Israelites: Paths of Peace"
- Presentation Idea: Use different colored arrows to indicate the route taken and areas avoided.

2. Character Sketches

- Description: Simple drawings of key characters such as Moses, the Edomites, the Moabites, and the Ammonites. Illustrate Moses speaking with respect to other nations.
- Caption: "Respectful Encounters: Moses and Neighboring Nations"
- Presentation Idea: Use speech bubbles to show dialogue or key message exchanges.

3. Timeline of Events

- Description: A chronological timeline of events in Deuteronomy 2, such as the command to leave certain lands alone and the eventual crossing into the lands God permitted.
- Caption: "Steps Towards the Promised Land"
- Presentation Idea: Use icons or small illustrations to represent significant events along the timeline.

4. Illustrated Scene of Edom's Mountains

- Description: Bright and simple drawing of the mountainous terrain of Edom with the Israelites passing peacefully by.
- Caption: "The Mountains of Edom: A Peaceful Passage"
- Presentation Idea: Highlight the landscape and integrate small figures of Israelites walking in the distance.

5. Interactive Chart of Comparative Sizes

- Description: A chart comparing the size of Israel's group to other nations they encountered, like Edom and Moab.
- Caption: "Israel Among the Nations"
- Presentation Idea: Use varied-sized circles or figures to represent the different groups.

6. Symbol of Obedience: The Open Ear

- Description: An illustration of an open ear symbolizing listening and obedience as shown by the Israelites to God's command.
- Caption: "Listening and Obeying God's Commands"
- Presentation Idea: Connect the image to how listening leads the Israelites to success.

Incorporate these visuals into slides to guide discussions and help students visualize key elements of Deuteronomy 2. Adjust complexity based on student age and comprehension levels.
