

# Visuals

## Slide 1: Title Slide

- Visual: An open Bible with the book "Deuteronomy" highlighted.
- Caption: "Exploring Deuteronomy 26: Offering Firstfruits and Thanksgiving"
- Description: Title of the lesson with a colorful backdrop to attract students' attention.

## Slide 2: The Firstfruits Offering

- Visual: A farmer carrying a basket of the first harvested fruits and vegetables.
- Caption: "Bringing the Firstfruits to God"
- Description: Explain the importance of the Israelites bringing their first produce as an offering to God. Use visuals of corn, grapes, and figs.

## Slide 3: The Journey to the Promised Land

- Visual: A simple map illustrating the journey of the Israelites from Egypt to Canaan.
- Caption: "The Path to the Promised Land"
- Description: Highlight the journey and emphasize God's promise kept. Include arrows and legends for better understanding.

## Slide 4: The Offering Ceremony

- Visual: An altar with people gathered around, one person presenting the basket of fruits.
- Caption: "Presenting the Offerings with Joy"
- Description: Describe how people came before the priest to give their offerings and express gratitude.

## Slide 5: Declaration of Gratitude

- Visual: A speech bubble next to a character giving thanks at the altar.
- Caption: "Thank You, God!"
- Description: Illustrate the verbal declaration to acknowledge God's help and provision.

## Slide 6: Celebrating Together

- Visual: A group of people, including elders, women, children, and foreigners, sharing a meal.
- Caption: "Celebrating As One Community"
- Description: Show the inclusivity and joy of the feast shared with everyone, exhibiting joy and unity.

## Slide 7: Modern Application

- Visual: Children today sharing food or gifts with others.
- Caption: "Sharing What We Have"
- Description: Discuss how we can follow the spirit of these teachings today, encouraging generosity and gratitude.

## Slide 8: Reflection Activity

- Visual: A simple worksheet with questions and drawing activities.
- Caption: "What Are You Thankful For?"
- Description: A take-home activity where students list or draw things they are thankful for and ways they can share with others. This promotes personal application of the lesson.

These slides should combine colorful and engaging visuals with simple language to cater to the elementary age group, making the lesson both informative and accessible.
