Memory_verse

Key Bible Verse: Joshua 16:4 (NIV) - "So Manasseh and Ephraim, the descendants of Joseph, received their inheritance."

Creative Ways to Memorize:

1. Song:
Create a simple melody to the verse. Use a familiar children's tune like "Twinkle, Twinkle, Little Star" to help them remember the words.

2. Rhyme:
Turn the verse into a rhyme:
"Ephraim and Manasseh, Joseph's kin,
Inherit the land their blessings begin."

3. Motions:
- "Manasseh" - Pretend to hold up a basket (representing inheritance)
- "Ephraim" - Pretend to plant a seed in the ground (start of their land)
- "Joseph" - Point upward, as though referring to an ancestor
- "Inheritance" - Open hands wide, as if to receive something

4. Short Challenges:
- Word Scramble: Mix up the words of the verse and have the students rearrange them in the correct order.
- Memory Match: Use cards with parts of the verse on them. Have students match cards to complete the verse correctly.
