Guided Journaling Prompts for Joshua 19

Reflection:
1. In Joshua 19, the land is divided among the tribes of Israel. Why do you think it was important for each tribe to have their own land?
2. How do you think the people felt when they received their land? Why would these feelings be important?

Personal Application:
1. Think about a special place you have, like your room or a favorite spot. Why is it important to you, and how does it make you feel?
2. Imagine you were part of a tribe that just received its own special land. What would you want to do there first, and who would you share it with?
3. How can you show gratitude for the special places or blessings in your life today?

Prayer:
1. Write a short prayer thanking God for the special places you have and ask Him to help you use those places in a way that pleases Him.
2. Pray and ask God to help others in your community feel happy and cared for in their own special places.

Open-ended Questions:
1. Why do you think God wanted all the tribes to have their own land? How does this show His care and fairness?
2. Can you think of a way you can make your home or school a better place for everyone, just like spreading love and kindness in your “land”?
3. What does having a place to belong mean to you, and how can you help others feel they belong too?
