Visuals

Slide 1: Introduction to Joshua 19
- Visual: Map of Canaan highlighting the tribal regions.
- Caption: "The Land of Canaan: Division Among the Tribes of Israel."

Slide 2: Overview of the Tribe of Simeon's Inheritance
- Visual: Simple diagram showing the incorporation of Simeon's land within Judah.
- Caption: "Simeon's Territory: Land Within Judah."
- Description: Highlight Simeon's land as a smaller area within the larger outline of the tribe of Judah.

Slide 3: Zebulun's Allotment
- Visual: An illustrated map section focusing on Zebulun’s borders.
- Caption: "Zebulun's Land: Reaching the Sea of Galilee."
- Description: Use different colors or patterns to show Zebulun's boundaries distinctly.

Slide 4: Issachar’s Territory
- Visual: Drawing of agricultural lands.
- Caption: "Issachar: The Area of Rich Land for Growing Food."
- Description: Add images of crops or fields to emphasize the fertile nature of the land.

Slide 5: Asher's Inheritance Along the Coast
- Visual: Coastal region drawing with nearby mountains.
- Caption: "Asher’s Land: Between the Sea and the Hills."
- Description: Illustrate the coastal position with waves or blue color and hills in the background.

Slide 6: Naphtali’s Lands
- Visual: Map showing lakes and hilly areas for Naphtali.
- Caption: "Naphtali: Lakes and Hills of Beauty."
- Description: Use symbols like waves for lakes and triangles for hills.

Slide 7: The Tribe of Dan’s Journey
- Visual: Pathway or trail from their original territory to the north.
- Caption: "Dan's Land: Journey to the North."
- Description: Show a dotted line or arrow representing the movement from Dan's first to second territory.

Slide 8: The Inheritance of Joshua
- Visual: Small section marked out for Joshua himself.
- Caption: "Joshua: The Leader Receives His Share."
- Description: Place a star or special symbol on the map indicating Joshua's portion.

Slide 9: Summary and Review
- Visual: Collage of the tribal territories with individual labels.
- Caption: "Division of the Promised Land: Review."
- Description: Ensure all previous features are encompassed in a single map for easy summary.

Activity Slide: Create Your Own Map
- Visual: Blank outline map of Canaan.

- Caption: "Draw and Color the Tribal Territories."
- Description: Provide students with blank maps to fill in colors based on descriptions they learned.

Teacher's Note:
Encourage students to use different colors or patterns for each tribe, and consider incorporating craft materials like yarn or stickers to represent borders and notable landmarks.
