Music

Song Recommendation: "Joshua Fought the Battle of Jericho"

Paraphrase and Suggested Actions:
- Verse: "You know that Joshua fought the battle of Jericho, and the walls came tumbling down!"
Action: March in place with high knees as if you're marching around the walls.

- Chorus: "Yes, the walls came tumbling down!"
Action: Pretend to be strong, use arms to mimic walls tumbling down dramatically.

Lesson Connection:
- Connection: Highlight Joshua's leadership and God's faithfulness in giving the land, as in Joshua 21, where God fulfills His promises.
- Discussion: Discuss how God provides and protects, just as He did for Israel. Encourage students to trust in God's plans.

Worship Activity: "Land Inheritance Relay"

Setup and Explanation:
- Create 'lands' using mats or carpets.
- Have students race to different 'lands' carrying a symbolic item (e.g., a small cross or Bible) representing God's presence and promises.
- Each team is assigned a tribe's name, referring to the allocation of land in Joshua 21.

Connection and Discussion:
- Connect: Relate the activity to how God gave different lands to the tribes of Israel when they followed His directions.
- Talk about the importance of teamwork and trust in God's promises just like Joshua and the Israelites.

Reflection and Prayer:
- Conclude with a short prayer thanking God for His promises and asking Him to guide students in their own 'battles' and daily challenges.
- Encourage a brief reflection on how they can rely on God, drawing parallels between their lives and the stories from Joshua.
