Key Bible Verse: 2 Samuel 6:14 (NIV)

"Wearing a linen ephod, David was dancing before the Lord with all his might."

Creative Ways to Memorize:

1. Song: Create a simple melody using a familiar tune, like 'Twinkle, Twinkle, Little Star'. Sing the verse along with the melody to make it catchy and memorable.

2. Rhyme:

"David danced with all his might,
Praising God, what a sight!
In his ephod he twirled,
Bringing joy to the world."

3. Motions:

- Pretend to put on an 'ephod' (a pretend vest).
- Mimic dancing by swaying from side to side and twirling around.
- Point upwards when saying "before the Lord".

4. Short Challenge:

- "Verse Dash": Write each word of the verse on separate cards. Scatter the cards around a room. Have the students race to collect and arrange them in the correct order while saying the verse aloud.

These activities can make memorizing the verse fun and engaging for elementary students.
