Song Recommendation: "God is our King"

Paraphrased Lyrics:

1. "God is our King, He's always in control,
Through highs and lows, He leads our soul.
When life gets tough, trust in His way,
God is with us every day."

2. "David was a king with a loving heart,
Followed God's plan, set apart.
Sometimes we might feel afraid,
But trust in Him, you'll never sway."

Suggested Actions:

- Verse 1:
 - "King" - pretend to place a crown on your head.
 - "Control" - mimic steering a wheel.
 - "Leads" - do marching steps.
 - "Trust" - place hands over heart and nod.
- Verse 2:
 - "Heart" - draw a heart shape in the air.
 - "Set apart" - stand tall with hands reaching up.
 - "Afraid" - show a scared expression.
 - "Trust" - return to placing hands over heart and nodding confidently.

Connection to the Lesson:

This song highlights God's sovereignty and the theme of trust, reflecting David's experiences in 2 Samuel 15. It helps children understand that even when faced with challenges, God remains in control, just as He was during the upheaval in David's life. This reinforces the message that God's plan is always the best path.

Worship Activity: "Trust Walk"

Activity Outline:

- Pair students. One is blindfolded, and the other is the guide.
- Set up an obstacle course in the classroom using chairs, cones, or other safe obstacles.
- The guide helps the blindfolded student navigate the course by giving verbal directions only.

Connection to the Lesson:

This activity mirrors the trust and guidance theme from 2 Samuel 15. Just as David had to trust in God during uncertain times, the blindfolded student must rely on their guide. Discuss with the students how it felt to trust someone else and how we can place our trust in God similarly.
