Song Recommendation: "God Answers Prayer"

Paraphrased Lyrics:

(Verse 1)

When things are tough and seem unfair,
Remember God is always there.
He hears our cries, dries our tears,
So have no doubts, cast away your fears.

(Chorus)

God answers prayer, yes, He hears,
Every word, every tear.
Trust in His ways, His love is true,
God answers prayer, He cares for you.

Suggested Actions:

- During "He hears our cries," cup your hands behind your ears.
- For "dries our tears," mimic wiping tears from your face.
- On "cast away your fears," pretend to throw something away from you.
- As you sing "God answers prayer," point upwards to emphasize God's presence.

Connection to Lesson:

This song reflects the theme of God hearing and responding to the cries of His people, as seen in 2 Samuel 21 when David seeks God to resolve the famine. It emphasizes trust in God's timing and care, just as David sought God's guidance through prayer.

Worship Activity: "Prayer Circle"

- Materials Needed: A small globe or ball to represent the world.
- Description: Gather the students in a circle. Pass the globe around, and when a student receives it, they briefly mention a prayer request or thank God for something.

Connection to Lesson:

This activity reinforces the idea that God listens to everyone's prayers, just as He did for David. It gives students a chance to practice praying for specific needs, highlighting trust and faith that God will answer.

Interactive Storytime: "David's Challenge"

- Activity Steps:
- Read or paraphrase the story of 2 Samuel 21.
- Pause periodically and ask students what they think David felt and how they would ask God for help in his situation.

Connection to Lesson:

This interactive session draws parallels between David seeking God for solutions and encourages children to think about how they can turn to God in times of need. It makes the story relatable and showcases prayer as a vital tool in overcoming life's challenges.
