Descriptions and Ideas for Teachers

- Incorporate Simple Graphics: Use clip art or simple drawings to make visuals relatable to elementary students.
- Interactive Elements: Encourage students to draw their own interpretation of each aspect (rock, fortress, etc.) on mini whiteboards or paper.
- Music Integration: Play gentle harp music in the background while discussing David's song to

create atmosphere.

- Storyboards: Have students create storyboards with the key elements of David's song and their meanings.
- Art Project: Provide materials for students to create a collage or mural that represents the song's themes.

These visuals and activities will help illustrate the essence of 2 Samuel 22 in a way that is engaging and understandable for young students.
