Guided Journaling Prompts for 'Acts 3' - Preschool Students

1. Story Reflection:

- Who Helps Who?

Think about the story you heard. Who did Peter and John help? Can you remember what happened to the man who couldn't walk?

- Imagine the Miracle:

What do you think it felt like for the man to walk again? Try to imagine his joy. Draw a picture showing what happened after he was healed.

2. Personal Connection:

- Helping Hands:

Peter and John helped someone in need. Can you think of a time when you helped someone? Draw or write a little about it.

- Feelings of Kindness:

How does it make you feel to help someone else? Happy, excited, or something else?

3. Daily Life Application:

- Be a Helper:

Is there someone in your life you can help today, like sharing a toy or giving a hug? Write or draw an idea of how you can help.

- Looking for Miracles:

Where can you see small miracles around you? Is it a flower growing or a friend sharing? Draw or write about a small miracle you see today.

4. Prayer Time:

- Thankful Hearts:

Can you say a thank-you prayer like thanking Jesus for helping us and giving us strength?

- Praying for Others:

Think of someone you want to pray for who might need help. You can draw or write their name and say a little prayer for them.

5. Open-Ended Questions:

- What Did You Learn?

What is something special you learned from the story today?

- Feelings and Thoughts:

How do you feel when you think about the story? Is there something you want to ask God about what you learned?

These prompts can help you think about the story, discuss it with friends or family, and remember the love and kindness you can share just like Peter and John did.
