

Memory_verse

Key Bible Verse:

1 Kings 10:4-5 (NIV)

"When the queen of Sheba saw all the wisdom of Solomon and the palace he had built, the food on his table, the seating of his officials, the attending servants in their robes, his cupbearers, and the burnt offerings he made at the temple of the LORD, she was overwhelmed."

Creative Ways to Memorize:

1. Rhyme Time:

Create a simple rhyme to help remember the verse:

"The queen saw Solomon's wisdom and his grand display,
With food on the table and servants in array."

2. Hand Motions:

- "When the queen of Sheba" (make a crown gesture with hands)
- "saw all the wisdom of Solomon" (tap your head)
- "and the palace he had built" (create a roof shape with your hands)
- "the food on his table" (mime eating a meal)
- "the seating of his officials" (pretend to sit down)
- "the attending servants in their robes" (pretend to smooth down robes)
- "and the burnt offerings" (lift your arms like smoke rising)
- "she was overwhelmed" (place both hands on cheeks with a surprised expression)

3. Song

Using a familiar tune like "Twinkle, Twinkle, Little Star," create a simple song:

"When the queen of Sheba came,
Saw Solomon's great wisdom fame,
Food and servants all around,
His great palace did astound.
Offerings made, she was amazed,
In Solomon's great, wise ways."

4. Short Challenge:

Have the students create a paper crown. On each point of the crown, they can write one part of the verse. Practice repeating the verse while wearing the crown as the "Queen of Sheba."
