Take-Home Assignment: Exploring '1 Kings 10'

Objective:
To understand the story of the Queen of Sheba's visit to King Solomon and explore the themes of wisdom and sharing.

Assignment Instructions:
Read 1 Kings 10 with an adult, and complete the following activities with your family.

Activity 1: Story Summary
1. Read 1 Kings 10 together.
2. Summarize the story in your own words.
- Who are the main characters?
- What did the Queen of Sheba think about King Solomon's wisdom?
3. Share your summary with a family member.

Activity 2: Discussion Questions
Discuss the following questions with your family:
1. Why do you think the Queen of Sheba visited King Solomon?
2. How did King Solomon show his wisdom during the Queen's visit?
3. What can we learn from the way King Solomon shared his knowledge and his wealth?

Activity 3: Role Play
With a family member, act out a short scene between King Solomon and the Queen of Sheba. It can be when she arrives, asks him questions, or shares her gifts. Use your imagination to make it fun!

Activity 4: Drawing Challenge
Draw a picture showing your favorite part of the story. It could be the Queen arriving, the gifts she brought, or King Solomon at his throne. Share your drawing with the family.

Reflection
Write or talk about a time when you learned something new from someone. How did it make you feel? How can you share what you learn with others, like Solomon did?

Bonus Activity (Optional): Family Wisdom
Ask each family member to share one piece of wisdom or advice. Create a "Family Wisdom Poster" with these wise words to hang up at home.

Conclusion:
Reflect on how wisdom and sharing are important in our lives, just like they were in the story of King Solomon and the Queen of Sheba.
