Key Verse: 1 Kings 21:3 (NIV)
"But Naboth replied, 'The LORD forbid that I should give you the inheritance of my ancestors.'"

Creative Ways to Memorize:

1. Rhyme:
"Naboth said with all his heart,
'I cannot let my land depart.'
The LORD said it must stay,
With ancestors it should lay."

2. Song:
Create a simple tune using a familiar melody, like "Twinkle, Twinkle, Little Star," to sing the verse:
"But Naboth replied, you see,
The LORD forbid it from me.
Inheritance I must hold,
Just as the LORD, I've been told."

3. Motions:
- "But Naboth replied" - Pretend to speak with a cupped hand by your mouth.
- "The LORD forbid" - Point upwards with one finger.
- "I should give you" - Hold hands out as if offering something.
- "The inheritance of my ancestors" - Hug yourself to symbolize holding something close.

4. Short Challenge:
- Action Verb Challenge: Create a list of key action words from the verse (replied, forbid, give) and challenge kids to act out these words with dramatic gestures.
- Speed Round: See who can correctly say the memory verse the fastest, but they must include the motions with the words.

By using these creative techniques, elementary students can connect with the narrative of Naboth and the importance of holding onto what God has given them.
