Key Verse: Acts 4:12 (NIV) - "Salvation is found in no one else."

Creative Ways to Memorize:

1. Song: Create a simple tune to go along with the verse. Use familiar nursery rhyme melodies like "Twinkle, Twinkle Little Star" to help them remember:
"Salvation is found, in no one else,
In no one else, in no one else!"

2. Rhyme: Make a short rhyme to emphasize the verse:
"Look high, look low,
In His name the blessings flow.
Salvation comes from Jesus alone,
His love is true, His name is known."

3. Motions: Associate each part of the verse with an action.
- "Salvation" – Hands open as if receiving a gift.
- "is found" – Look through a pretend telescope.
- "in no one else" – Cross arms in an "X" motion side to side.

4. Short Challenge: Have a game where children sit in a circle and pass a ball around. When the music stops, whoever has the ball says the next word in the verse until it’s complete.

5. Craft: Create a simple craft by writing the verse on a cardstock and decorating it with stickers. As they decorate, repeat the verse together.
