Takehome

Take-Home Assignment: Reflecting on 2 Kings 2

Dear Students and Families,

Today, we explored the story of 2 Kings 2, which tells about the transition from Elijah to Elisha as God's prophet. Let's reflect on this story and do a few fun activities to help us understand it better. You can work on these activities at home with your family. Enjoy!

Part 1: Story Summary

Read 2 Kings 2 with your family or watch a retelling online. Pay attention to how Elijah is taken up to heaven and how Elisha becomes the new prophet.

Part 2: Discussion Questions

Talk about these questions with your family:

1. How did Elijah and Elisha show their trust in God?
2. Why do you think Elisha asked for a double portion of Elijah’s spirit?
3. What miracle does Elisha perform with Elijah’s cloak? Why is this important?

Part 3: Craft Activity

Make Your Own Cloak

Materials needed:
- A piece of fabric or an old t-shirt
- Scissors (with parent supervision)
- Markers

Instructions:
1. Cut the fabric or t-shirt into a rectangular shape to make a cloak.
2. Use markers to decorate the cloak with symbols or words that remind you of Elijah and Elisha's story.
3. Share how wearing this cloak makes you feel like a helper or someone with a special mission.

Part 4: Reflection Exercise

Write a short paragraph or draw a picture about how you can be a helper to someone in your life, just like Elisha helped Elijah. Think about a small action you can do to help someone else and plan when you will do it.

Part 5: Prayer

With your family, say a prayer asking for the strength and courage to follow God's path and help others, just like Elisha did.

Have fun with these activities, and remember, you can make a big difference by trusting in God and

helping those around you. Enjoy discussing and creating together!

Sincerely, [Your Teacher's Name]
