Music

Song Recommendation: "God's Power and Love"

Lyrics (Paraphrased):
God's love is big, God's love is great,
His power is strong, and we celebrate.
In everything we do, we'll be true,
And God will always take care of me and you.

Suggested Actions:
- Encourage children to stretch their arms wide for "big" and "great."
- Flex their muscles for "strong."
- Jump and clap for "celebrate."
- Hold hands with another child for "take care of me and you."

Connection to Lesson:
Acts 5 includes stories of the apostles and the power of God shown through them. The song helps preschoolers understand that God's power and love are always present, and He takes care of us just like He did with the apostles.

Worship Activity: "Follow the Leader"

Instructions:
1. Choose one child to be the leader.
2. Have the leader walk around the room, acting out different ways to show God's love (e.g., sharing, hugging, helping).
3. The other children will mimic the leader's actions, learning to follow good examples just like the apostles followed Jesus.

Connection to Lesson:
This activity helps preschool students understand the importance of following good examples and acting in love, mirroring how the apostles followed God's teachings and shared His love.
