Take-Home Assignment: Exploring 2 Kings 3

Dear Students,

Today, we learned about an important story from the Bible in 2 Kings 3. You're going to explore this story further with your family at home. This assignment will help you understand the story better and see what lessons it teaches us. Please complete the following activities and questions with your family.

Story Summary:
In 2 Kings 3, we learn about King Joram of Israel, King Jehoshaphat of Judah, and the King of Edom who joined forces to fight against the rebellious King of Moab. During their journey, they faced challenges, particularly a lack of water. The prophet Elisha was involved in this story and provided guidance from God, which led to a surprising victory.

Activities and Questions:

1. Story Retelling:
- Take turns with your family retelling the story in your own words.
- Discuss the key characters: King Joram, King Jehoshaphat, the King of Edom, the King of Moab, and Elisha.

2. Drawing Activity:
- Draw and color a picture of one key event from the story. It could be the armies in the desert, Elisha providing guidance, or the surprising victory.
- Share your drawings with your family and explain why you chose that scene.

3. Discussion:
- Why did the kings need Elisha’s help?
- What lesson do you think God was teaching through Elisha’s guidance?
- How did God show His power in this story?

4. Reflection:
- Think about a time you needed help with something difficult. Who helped you, and how did it make you feel?
- Share this experience with your family, and talk about how it's important to seek guidance and trust in others.

5. Family Prayer:
- As a family, say a prayer asking for wisdom and guidance like that given to the kings through Elisha. Thank God for the people who help you every day.

Remember, when you share and learn together, you grow in understanding and faith. Have fun with this assignment!

Bring Your Work to Class:
Please bring your drawings and any thoughts you have about the story to our next class. We will discuss what everyone learned and how we can apply the lessons from 2 Kings 3 in our lives.

Enjoy your time learning with your family!
