Key Bible Verse: 2 Kings 6:16 (NIV)
“Don’t be afraid,” the prophet answered. “Those who are with us are more than those who are with them.”

Creative Ways to Memorize:

1. Song: Create a simple tune using a familiar melody, like "Twinkle, Twinkle, Little Star," and sing the verse to that tune. For example:

Don’t be afraid, said the seer,
With us, more are standing near.
(repeat similar lines with the melody)

2. Rhymes: Make a rhyme that captures the essence of the verse:

Don’t be afraid, God has our back,
Many more are on our track.

3. Motions: Assign motions to key phrases:
- "Don’t be afraid" – shake head and wave hands as if saying 'no.'
- "The prophet answered" – cup hands around your mouth.
- "Those who are with us" – point to friends around you.
- "More than those who are with them" – hold out both hands wide open.

4. Short Challenge: Create a "Verse Relay" game where students pass a baton and say part of the verse as they run to a teammate. This encourages repetition and teamwork.

These activities can make the memorization process engaging and interactive for elementary students.
