Objective: Understand the story of Elisha and the floating ax head, and explore themes of faith, miracles, and trust in God.

Materials Needed: Bible, paper, crayons or colored pencils

Assignment:

1. Read Together:
Gather with your family and read 2 Kings 6:1-7. This part of the Bible tells about a miracle performed by the prophet Elisha.

2. Story Summary:
After reading, write a short paragraph summarizing the story in your own words. Remember the main events: the ax head falling into the water and Elisha's miracle to make it float.

3. Discuss:
Talk with your family about these questions:
- Why was the ax head important to the man?
- How did Elisha help?
- What does this story teach us about trusting God?

4. Creative Activity:
Draw a picture of your favorite scene from the story. You might choose the moment when the ax head falls in the water, when Elisha throws the stick, or when the ax head starts to float.

5. Reflection:
Think about a time when you had to trust someone to help you. Write a few sentences about what happened and how it made you feel.

6. Family Interview:
Ask a family member if they've ever experienced something that felt like a miracle. Write down their story and share it with your class next time.

7. Prayer:
Say a prayer with your family, thanking God for the miracles in our lives and for helping us when we need it most.

Remember:
Each activity is designed to help you connect more deeply with the lesson and to understand the importance of faith and trust in every aspect of life. Enjoy learning together with your family!
