Key Bible Verse:
2 Kings 8:6 (NIV) - "The king asked the woman about it, and she told him. Then he assigned an official to her case and said to him, 'Give back everything that belonged to her, including all the income from her land from the day she left the country until now.'"

Creative Ways to Memorize:

1. Rhyme:
Create a simple rhyme to help remember the verse:

"The king asked what was lost and made sure it was found,
Everything she owned, now back to her ground."

2. Song:
Set the verse to the tune of a well-known children's song, like "Mary Had a Little Lamb":

"The king asked the woman, asked the woman,
About it she told him.
Gave back everything to her,
Everything to her again!"

3. Motions:
Incorporate hand motions:

- For “The king asked the woman,” pretend to wear a crown.
- For “about it, and she told him,” cup your ears like listening.
- For “Give back everything,” motion like handing something over.
- For “from the day she left,” pretend to walk away.
- For “until now,” spread hands wide like presenting something.

4. Short Challenge:
Create a friendly race to see who can say the verse the fastest without making a mistake, emphasizing understanding over speed.

5. Story Visualization:
Encourage the kids to draw the scene where the king listens to the woman and helps her. After illustrating, have them explain the story in their own words.
