Take-Home Assignment: Exploring 2 Kings 8

Dear Parents and Students,

Today, we explored Chapter 8 of the Book of 2 Kings from the Bible. This story teaches us about the actions of God’s prophets and how they communicate God’s messages to help and guide people. Let's remember the story and reflect on what we've learned through some fun activities and questions you can do at home together with your family.

Summary of 2 Kings 8:

In this chapter, we learn about Elisha, a prophet who shares God’s messages. Elisha helps a woman whose son he had brought back to life several years earlier. He tells her to leave the land because a terrible famine is coming. The woman listens and goes to live in the land of the Philistines. After seven years, she returns to ask for her land back. Meanwhile, the king of Israel is curious to hear all about Elisha’s miracles. Just as the woman comes to the king to plead for her house and land, the king is hearing about Elisha raising her son. Amazed at God’s timing, the king orders her property to be restored to her.

Activities and Questions:

1. Family Discussion:
- Question 1: What did the woman have to do when Elisha told her about the famine? What does this teach us about listening to wise advice?
- Question 2: Why do you think the king believed the woman’s story about her land?

2. Draw and Share:
- Draw a picture about your favorite part of the story. It could be Elisha talking to the woman, the woman asking the king for her land, or any other part that you enjoyed.
- Show your drawing to your family and explain why you chose that scene. Ask your parents or siblings what part they liked best.

3. Role-Playing:
- Act out the scene where the woman regains her land. One person can be the woman, another Elisha, and another the king. Think about how each character felt at different moments in the story. Share your thoughts with your family.

4. Journal Reflection:
- Write a short reflection about a time someone gave you good advice, and you listened. How did it help you? Why is it important to trust and listen to people who guide us?

5. Creative Storytelling:
- Imagine you are a reporter in the time of Elisha. Write a short newspaper article about the miracle of the woman getting her land back. What would you tell others about this amazing event?

Have fun exploring this story with your family and think about how trust, faith, and good advice can play important roles in our lives.

Remember: Great stories like these from the Bible help us understand the power of faith and the importance of listening to wise guidance!
